

PFW 6880 Display video wall module pop-out

Article number (SKU) 7368800
Colour Black

PFW 6880 is a slim video wall pop-out module with a distance between display and wall of only 50mm. It features a spring-loaded push to open release, by gently pushing on the display. Custom spacers to reduce installation time are available on request for the most used video wall displays.

Optional dedicated spacers dramatically reduce installation time. Spacers are available for the most used video wall displays or monitors.
