

Universal wall mount

052.2020 Universal wall mount: max. 924 x 605mm, 75kg

Wall mounts in our category **project wall mounts** feature:

Automatically click-in spring lock: helps mounting arms snap into place for added safety

Easy assembly: installation is a breeze, also facilitated by the inclusive hook-on bubble level

Lateral shift mounting arms: enable fast alignment

Please note that this wall mount falls outside our modular system lacking the specific 170x140 mounting pattern necessary for combination with our floor stands, ceiling mounts and other products.
