

MODULAR LCD/PLASMA

MULTI SUPPORT

PHA 700

MULTI SUPPORT

The Multi Support can be combined with the Physix Cable Strip for an elegant cable-free solution. Just mount the Multi Support to the wall and cut the Cable Strip to the right length to cover the distance between the Multi Support and the TV, and between the Multi Support and the floor.

- Easy mounting (mounting hardware included)
- Placement of VCR, DVD player or satellite receiver
- Wall support for all kinds of audio/video hardware
- Universal
- Anti-slip pads included
- Modular system

 **MAX. 10 kg 22 lbs**
