

MODULAR XL
FLAT WALL MOUNTS

**FOR EXTRA LARGE
FLAT DISPLAYS**

Modular XL wall mounts

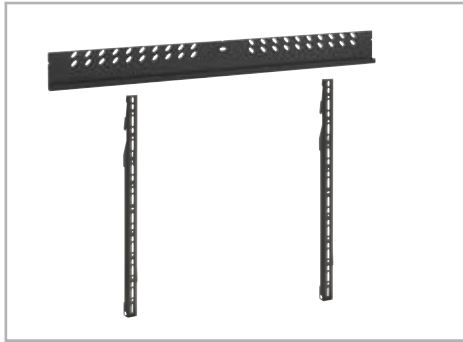

Vogel's Professional introduces a new range of modular wall mounts for extra large displays. The modular wall mount is especially designed for displays from 65 inches and larger, with a maximum mounting fitment of 1370x1400 mm and maximum weight of 160 kg.

The modular wall mount is set up with an interface wall plate (PFW 58xx) and two interface strips (PFW 59xx). Vogel's offers 3 different lengths of interface wall plates 800, 1050 and 1450 mm and 3 different lengths of interface strips 800, 950 and 1450 mm. With this modular concept you can create a mounting solution for almost every extra large display.

Features are:

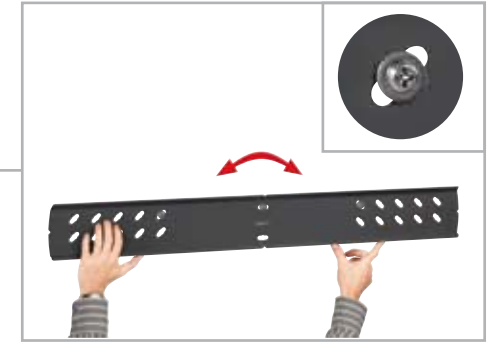

- Landscape and portrait position
- Built in levelling function for quicker installation
- Service position for easy connecting cables after installation
- Security option: possibility to add a padlock

Modular: always create a fit

With the modular concept you can create your own wall mount for almost every display. Different sizes of interface wall plates and interface strips are available. Landscape and portrait position possible.

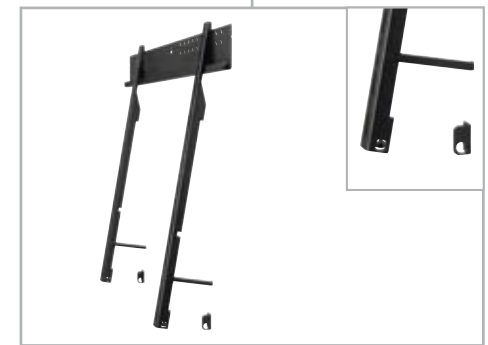

Easy levelling and installation

Special diagonal mounting holes make it very easy to level the interface wall plate during installation. You can even fine tune it after installation.

Security option

Security option available to safeguard displays and prevent unauthorized removal (clip included, padlock not included).

Service position

Cables can be easily connected after installation.
