Enjoy your LED/LCD/Plasma TV mounted (very) flat to the wall, and tilt it towards your viewing position. The TILT LARGE wall mount from Physix is suitable for TV's from 40" to 65" weighing up to 45 kg.

## PHW200L WALL MOUNT TILT L

This universal support is suitable for almost all LED/LCD/Plasma TV brands (use our MOUNT MATCHER to find exactly the right mount size for your TV). It comes with easy mounting instructions, as well as all the screws and wall plugs you might need. The Tilt functionality lets you angle the screen forwards up to 15 degrees, to ensure the best viewing angle from where you are watching. The Lock Release feature clicks your TV to the wall, and ensures a secure & safe connection between the TV and the wall mount.

### Features

- Easy mounting (mounting hardware included)
- Modular system - combine the wall support with cable covers and multi support to store A/V equipment
- Tilt function
