## Bluetooth adapter for streaming audio

The SAVA 1001 uses Bluetooth to stream audio from your TV or smartphone to your headphones or audio equipment. Suitable for digital and analogue inputs and outputs. Up to 8 devices saved in the memory, 2 headphones and a Bluetooth range of up to 15 metres.

## Connect old and new devices to each other with the smart solutions from Vogel's

Are the connections on your AV equipment incompatible with each other? But is your equipment not yet in need of replacement, or is vintage equipment your style? The smart solutions from Vogel's are the answer. The SAVA series consists of products that can be used to connect or expand (older) devices with new technologies. For example, wireless connections can be enabled or analogue connections can be converted to digital. Get more enjoyment from your valuable AV equipment and make it compatible!

## The Quality Signature

When you purchase one of Vogel's SAVA products, you are always guaranteed quality and innovation. Smart and sustainable products that do what they are supposed to do. As part of Vogel's 'Quality Signature', you can always count on: reliability, design, innovation, ease of use and ease of installation.
