

## SAVA 1021 Smart AV converter AV to HDMI

Article number (SKU) 8310213  
Colour ANTHRACITE METAL.

### Connects old and new connections

The SAVA 1021 makes it easy to connect existing video sources with an RCA or SCART output to an HDTV or projector with an HDMI input.

### Connect old and new devices to each other with the smart solutions from Vogel's

Are the connections on your AV equipment incompatible with each other? But is your equipment not yet in need of replacement, or is vintage equipment your style? The smart solutions from Vogel's are the answer. The SAVA series consists of products that can be used to connect or expand (older) devices with new technologies. For example, wireless connections can be enabled or analogue connections can be converted to digital. Get more enjoyment from your valuable AV equipment and make it compatible!

### The Quality Signature

When you purchase one of Vogel's SAVA products, you are always guaranteed quality and innovation. Smart and sustainable products that do what they are supposed to do. As part of Vogel's 'Quality Signature', you can always count on: reliability, design, innovation, ease of use and ease of installation.
