

Floor lift double XL max. 200kg

052.7110 Floor lift double XL for touch screen max. 200 kg, max. 98 inch

The 052.7110 is a quick and easy to install floor lift, allowing electrical height adjustment of your (touch) screens. The lift is fitted with a screen bracket containing most VESA patterns, making it suitable for almost every display. The unit requires positioning close to a wall after which it can be fastened with its adjustable wall brackets. The floor lift comes with a remote control to adjust the display 600 mm in height. Behind the mounting feature there is space for placing a mini PC. For the use of a thin-client PC a VESA75/100 mounting pattern is included.

Accessory 052.6100 is required to mount the 84 inch Microsoft surface hub.
